

CAPABILITY STATEMENT

CAGE: 21GP0 UEI: JG1QXZ4L4KJ6

BAMKO Surplus Process Equipment LLC is a leading supplier of surplus and industrial process equipment, providing cost-effective acquisition, resale, and distribution solutions across petrochemical, chemical, laboratory, manufacturing, medical, research, and academic industries. Since 1994, the company has built extensive expertise in sourcing new and used equipment, laboratory instrumentation, and hard-to-find replacement parts, including obsolete OEM components. With substantial owned inventory, multiple warehouse locations, and proven asset recovery capabilities, BAMKO delivers rapid equipment availability, reliable fulfillment, and value-driven solutions that reduce costs, extend asset life cycles, and support operational continuity.

CORE COMPETENCIES

- Surplus Process Equipment Acquisition, Sales & Distribution
- New & Used Industrial Equipment Supply
- Petrochemical Process Equipment
- Chemical Processing Equipment
- Laboratory Equipment & Scientific Instruments
- Industrial Asset Recovery & Equipment Liquidation
- Surplus Equipment Purchasing & Brokerage
- Process Plant & Industrial Equipment Dismantling
- Hard-to-Find, Obsolete & Discontinued OEM Parts
- Heat Exchangers, Pressure Vessels & Storage Tanks
- Pumps, Compressors, Turbines & Blowers
- Boilers, Furnaces & Heat Transfer Equipment
- Industrial Valves, Control Valves & Actuators
- Instrumentation, Flow Meters & Process Controls
- Pipe, Fittings, Bearings & Industrial Components
- Laboratory Glassware & Testing Equipment
- Inventory Management & Rapid Equipment Fulfillment
- Domestic & International Equipment Sourcing and Shipping

PRIMARY NAICS & PSC CODES

423830 - Industrial Machinery and Equipment Merchant Wholesalers
334513 - Instruments and Related Products Manufacturing for Measuring, Displaying, and Controlling Industrial Process Variables
334516 - Analytical Laboratory Instrument Manufacturing
423490 - Other Professional Equipment and Supplies Merchant Wholesalers
811210 - Electronic and Precision Equipment Repair and Maintenance
4310 - Compressors and Vacuum Pumps
4320 - Power and Hand Pumps
4420 - Heat Exchangers and Steam Condensers
4610 - Water Purification Equipment
4810 - Valves, Powered
4820 - Valves, Nonpowered
6630 - Chemical Analysis Instruments
6640 - Laboratory Equipment and Supplies
P100 - Salvage- Preparation and Disposal of Excess/Surplus Property

DIFFERENTIATORS

- More than 30 years of experience supplying surplus process equipment and industrial assets across multiple industries.
- Extensive in-stock inventory enables rapid fulfillment and reduced procurement lead times.
- Provides both new and quality surplus equipment, delivering cost-effective alternatives to new OEM purchases.
- Specializes in sourcing obsolete, discontinued, and hard-to-find equipment and replacement parts.
- End-to-end capabilities spanning asset acquisition, liquidation, resale, dismantling, and equipment distribution.
- Multi-warehouse inventory supports scalable, nationwide, and international equipment availability.
- Proven expertise supporting petrochemical, chemical, manufacturing, laboratory, research, medical, and educational operations.
- Rigorous equipment evaluation process helps ensure quality, reliability, and operational readiness.
- Responsive team with technical knowledge to identify and source complex industrial equipment requirements.
- Helps organizations maximize asset value, reduce downtime, and extend the service life of critical equipment.
